Project Overview

Veranda Sahl Hasheesh reflects more than 20 years of Red Sea real estate expertise, combining refined coastal architecture with long-term investment value. Built across 130,000 sqm of landscaped gardens and lagoons, the project offers a private, low-density environment designed for peaceful living. A distinctive clock tower and elegant design create a premium atmosphere throughout the development. Residents benefit from private beach access, luxury leisure facilities, and beautifully maintained open spaces. Located in one of the Red Sea's most desirable destinations, Veranda offers excellent lifestyle and rental potential. The project is developed by a trusted company with a proven track record in the Egyptian property market.
