Descripción:

2 bedroom apartment, inserted in a gated community in Vilamoura within walking distance of Vilamoura Marina

Entrance hall that gives access to the other areas, spacious living room with direct exit to the terrace, providing moments of leisure and outdoor dining.

Open space style kitchen and is fully equipped with Bosch appliances.

Two bedrooms, both en-suite, with built-in wardrobes, which provides additional storage space. There is also a service bathroom, which can be used by visitors.

Inserted in a gated community with 2 private parking spaces in a closed garage and a storage room.

Equipped with air conditioning and double glazing.

The architecture of the apartment was designed taking into account the privacy and comfort of its

inhabitants, according to their tastes and particularities.

The modern lines of the project give exclusivity to the space, and the recessed balconies were designed to protect the privacy of the residents.

In the interiors, the choice of materials used is highlighted, valuing nobility and quality.

The project has a commitment to eco-responsibility, seeking to incorporate different amenities and sustainable luxuries.

The development features high walls and lush landscaping, which provides apartment owners with a private space to enjoy the pool, lush gardens, and common spaces without being seen from the street.

This combination of privacy and shared living areas make the place even more attractive to residents.
