Descripción:

Excellent opportunity to acquire a property with marvellous views located on the slopes of the Serra de Montejunto.

At the moment, the property is used for storage, but you could dream of going ahead with a project at the town hall to turn it into a home. If you wish, we can help you realise that dream.

There are aspects to highlight about this property such as its proximity to the town of Cadaval, where there are all the essential services such as a health centre, restaurants, cafés, a post office, various types of commerce and more.

This is undoubtedly the ideal location for those who want to be in contact with nature, for those looking for peace and quiet, but at the same time be close to large cities such as Torres Vedras and Caldas da Rainha.

The beaches of the West are approximately 30 minutes away and Lisbon is only 50 minutes away via the A8 or A1 motorways.
