It offers a cozy and functional environment, with an area of 53 m<sup>2</sup>, distributed by kitchen, living room, two bedrooms and a bathroom. It is in good condition, with piped water, electricity and communication systems, TV and internet.

Ready to receive new residents, who appreciate the rural charm.

The property also has a fireplace in the living room, which ensures comfort during the colder months. All this surrounded by the green of nature and quiet, just 500 meters from the village of Pinho, where you have access to public transport, just a few minutes walk.

The 8,440 m<sup>2</sup> plot offers enough space for outdoor activities, or you can also extend the construction of the existing annexes. Another idea is to be able to create in these annexes, storage spaces or whatever you find convenient for your life!
