Descripción:

Nestled in the picturesque Valley of Olives in the heart of the Algarve, this charming country villa offers an ideal combination of privacy, comfort and authentic Portuguese character. Set within beautifully landscaped grounds of 4,500 m², just 3 km from the beaches of Armacao de Pera, the property enjoys a peaceful rural setting while remaining close to everyday amenities.

Offering approximately 225 m² of living space, the villa features three spacious bedrooms and two bathrooms, including a principal suite with en-suite bathroom. A modern fitted kitchen and welcoming living room create a comfortable environment for daily living, while a water-bearing stove complements the central heating system. Air conditioning throughout, solar energy support, automatic irrigation, pool heating and a pool cover ensure year-round comfort and efficiency.

An additional lower-level area, currently unregistered as living space, provides further accommodation with an extra bedroom, bathroom and private sauna. Outside, covered terraces, natural stone walls and mature Mediterranean gardens create a wonderfully private setting. The 4 x 11 metre swimming pool features a waterfall, while an exceptional outdoor entertaining area includes both gas and wood-fired

barbecues together with a traditional pizza oven.

The grounds also include a charming garden house with its own terrace, manicured lawns, calçada stonework and a variety of mature trees, including olive, pear, apple, lemon, pine and cork oak. A small stream flows through the lower ecological section of the property. Located close to both the Nobel International School and the German International School, this is a rare opportunity to acquire a private Algarve retreat just minutes from the coast.
