### Descripción:

In the charming historic center of Lonato del Garda, we are offering an elegant, fully renovated apartment set in a quiet and picturesque neighborhood—ideal for those who want to enjoy the convenience of downtown living without sacrificing spacious and functional living areas.

The apartment is located on the first floor and features a bright living area of over 30 square meters—a welcoming and well-laid-out space that opens onto a splendid private balcony. The kitchen, separate from the living room, ensures practicality and comfort in daily life.

The sleeping area features two spacious double bedrooms, including the master suite with a walk-in closet and en-suite bathroom, a second bathroom, and a convenient closet/storage area, offering well-organized spaces suitable for both a family and those seeking a second home on Lake Garda.

The recent renovation enhances every room with high-quality finishes and updated systems, making the property immediately move-in ready without the need for further work.

The central location allows you to walk to all the main amenities, shops, restaurants, and the village's charming streets, in one of the most popular towns in the Lake Garda hinterland.

Move-in ready, available in August/September 2026.
