### Descripción:

A rare find in the Charente, this exceptional, high-end villa boasts an outstanding energy rating (DPE) of A, and is located only a short drive from both Ruffec and the renowned village of Verteuil-sur-Charente.

Built in 2015, the property is well-insulated throughout, with aluminium double glazing, electric shutters and underfloor heating powered by a heat-exchange pump which also provides hot water. The heating system is controlled in two zones making it more energy efficient. A generous 257m<sup>2</sup> of living space and the annual electric cost is just 1700€.

The master bedroom has its own dressing room and private bathroom, three of the five bedrooms have built-in wardrobes, and the fifth bedroom could equally be used as an office and has direct access to the garden.

The double garage has access directly into the property via the utility room, and includes plenty of space on the mezzanine for storage. There is also a covered carport for additional vehicles.

The terraced swimming pool is perfectly positioned, whether you choose to relax on a sun lounger around the pool, or prefer to take respite in the shade beneath the covered terrace. To complete this idyllic property, it is surrounded by a beautifully maintained garden.

This stunning villa is ready for you to move in straight away, just bring your suitcase. Book a viewing with
