Descripción:

There are properties that stand out for their potential. This T1 on Avenida dos Cavaleiros, Carnaxide is an excellent opportunity for those looking for location, functionality and margin to adapt the space to their needs.

Located on the 1st floor of a well-kept building, without an elevator, this apartment benefits from two fronts, which gives it more natural light, better ventilation and a feeling of greater spaciousness. Its configuration allows you to transform the property into a T2, if necessary an ideal solution for those who need an extra bedroom, an office or want to increase the potential for appreciation of the apartment.

The location is one of the great strengths. Just 3 minutes from the Alegro Shopping Center, with transport at the door and quick access to the exit to Cabos Ávila, facilitating daily commutes and ensuring proximity to commerce, services, leisure and main thoroughfares.

This is the type of property that responds to different profiles: perfect for own housing, for those who want to live close to everything, or for investment, due to its strategic location and possibility of adaptation.

A T1 with T2 potential, well located and inserted in a practical, dynamic area with everything at hand.

Schedule your visit and come and discover how this apartment can be exactly what you are looking for.
