Descripción:

Currently under construction and scheduled for completion in 2027, this exceptional contemporary villa offers a rare opportunity to own a truly distinctive luxury home. Designed by a renowned local architect, the property combines striking modern architecture set on a generous 3,900m2 plot with 343m2 of beautifully designed living space spread over three levels. Every detail has been carefully considered to maximise natural light, privacy and the spectacular coastal surroundings. The centrepiece of the home is the breathtaking floating infinity pool, appearing to hover effortlessly above a valley going down to a small beach. Expansive terraces and floor-to-ceiling glazing create a seamless connection between the indoor and outdoor living spaces, providing the perfect setting for entertaining or simply relaxing in complete tranquillity. The villa features four en-suite bedrooms, five bathrooms, spacious open-plan living and dining areas, a bespoke contemporary kitchen, air conditioning throughout, energy-efficient solar panels. Situated in the highly sought-after Vale da Lapa area, between Carvoeiro and Ferragudo, the villa enjoys one of the Algarve's finest residential locations. The property is positioned within a peaceful cul-de-sac and surrounded by only a handful of luxury homes and offers exceptional privacy while remaining just minutes from beaches, golf courses, excellent restaurants, and everyday amenities. The prestigious Nobel International School Algarve is approximately 7km away, making this an ideal family residence as

well as an exceptional holiday home or investment property. The A22 motorway is easily accessible and Faro International Airport can be reached in approximately 45 minutes.
