Serene Tropical Sanctuary: Exceptional 2-Acre Estate with Two Fully Furnished Cottages in La Fargue, Saint Lucia

Discover an unparalleled opportunity to own a piece of paradise in the heart of Saint Lucia's verdant south. Nestled within the tranquil Morne Lezard Estate, near the charming communities of Laborie and Choiseul, this remarkable 2-acre property is more than just a home—it is a lifestyle destination. Offering a harmonious blend of rustic island heritage, modern comfort, and breathtaking natural beauty, this estate is perfectly positioned for those seeking a private sanctuary, a lucrative income-generating investment, or a bespoke wellness retreat.

A Landscape of Natural Splendor

Spanning an impressive 8,175 square meters (approximately 2 acres), the estate is a masterclass in Caribbean living. The grounds are a lush, manicured tapestry of mature fruit trees and swaying palms, including bananas, cacao, mango, coconut, and sugar apple. To the north, the property is uniquely defined by a picturesque, jagged dry riverbed, adding an enchanting layer of geological character.

The crown jewel of the outdoor space is the private 24' x 12' swimming pool (constant 4-foot depth). Whether you are hosting friends or enjoying a quiet morning swim, the backdrop is spectacular: panoramic views of the iconic Saint Lucian Pitons rising majestically in the distance. Evenings here are transformative, as we watch beautiful sunsets from the expansive veranda, watching the light fade over the pineapple plantation and disappear into the Caribbean Sea.

Two Distinctive, Fully Furnished Residences

This property offers incredible versatility with two separate, fully furnished dwellings, ensuring a turnkey experience.

Cottage One (The Main House)

Constructed in 2017 from beautiful, locally sourced stone, this residence radiates charm. Spanning approximately 92m², it features a thoughtfully designed one-bedroom, one-bathroom layout. A significant 2021 expansion added a massive, airy veranda that serves as the heart of the home, perfect for alfresco dining and watching the sunset. The interior boasts modern windows, a contemporary kitchen, and a refreshed bathroom.

Cottage Two (The Guest/Rental Cottage)

Ideal for visiting friends or as a high-performing Airbnb rental, this 55m² cottage is the epitome of efficiency and comfort. It features two cozy bedrooms, a well-appointed lounge, a functional kitchen, and a bathroom. It comes fully furnished, ensuring guests can settle in from day one.

Infrastructure and Potential

Beyond the living quarters, the estate includes a substantial 49m² workshop, offering immense utility for creative projects, storage, or the potential for conversion into a studio, gym, or yoga space. The property is deeply rooted in local history; the owners have meticulously collected and preserved various artifacts discovered on-site, adding a unique layer of cultural significance.

Prime Location

While the estate feels like a world away, it remains remarkably connected. Situated off Gais Bois Road, you are within easy reach of local schools, shops, and the pristine, uncrowded beaches of the south coast. For international travelers, the convenience is unmatched: the estate is located just 20 minutes from the

Hewanorra International Airport (UVF).

The Offering

This property has been appraised by two independent estate agents at a value between \$700,000 and \$750,000 USD. To facilitate a quick and smooth transaction, the owners are offering this entire turnkey estate for the competitive price of \$650,000 USD.

Whether you envision this as a boutique rental business, a family legacy estate, or a private island retreat, this Morne Lezard gem offers the space, the views, and the infrastructure to turn that vision into reality. This is an invitation to embrace the slower, more soulful pace of life in Saint Lucia.
