ISTRIA, GROŽNJAN - Building plot with panoramic view

Grožnjan is a small Istrian place, but of great cultural significance, not only in Croatia but also internationally. He lives his summer months very intensely. Every year at the beginning of May, the small streets and squares of Grožnjan are transformed into a true artistic place. It opens its summer music academies for young people, its art, dance and drama workshops under the guidance of well-known experts and teachers. Here you come across many famous names from the world of music, art and drama. Grožnjan is a small town that is also well known for preserving and protecting the environment and striving to preserve the typical and traditional Istrian heritage. In the vicinity of Grožnjan, a beautiful building plot of 1338 m2 is for sale. The land has an access road. The land offers an unobstructed panoramic view of the hills and greenery. In front of the land there is an agricultural area, which ensures enough privacy. This land is ideal for building the increasingly sought-after vacation homes or for building your own family corner.
