Descripción:

Nestled in the vibrant heart of Pilar de la Horadada, this prime 200-square-meter urban plot is situated in a highly desirable location that strikes a flawless balance between authentic Spanish town charm and modern convenience. From this mid-town vantage point, you are just a short stroll away from a bustling avenue packed with delightful local tapas bars, supermarkets, and medical facilities, while the road itself leads you directly down to the coast.

The location connects the inland town center directly with the coastal district. The beaches of Torre de la Horadada are situated approximately three kilometers down the main road, making them accessible by a short drive or a bike path. The plot is also well-positioned for regional travel, with quick access to the N-332 coastal road and the AP-7 motorway, connecting the property to both Murcia and Alicante airports.
