Descripción:	

Classic building inserted in one of the most central and sought-after areas of Lisbon, in the surroundings of Alcântara and Docas, with an approved project and a building license already issued and paid. Investment opportunity for residential development, with potential to optimise the number of dwellings and the possibility of exchange for completed properties.

PROPERTY DESCRIPTION:

Urban building for full rehabilitation, with an approved project for housing development.

Planned areas:

Total Gross Construction Area: 4,261 m²
Area above ground: 2,750 m²
Area below ground: approximately 1,500 m²

Project approved for:

2 floors below ground + 5 floors above ground
15 apartments (1 - T0; 1 - T1; 5 - T2; 3 - T3; 5 - T4)
18 parking spaces on Floor -1
16 parking spaces on Floor -2

Urban potential:

Possibility of increasing residential capacity up to 26 dwellings, subject to validation and applicable legal framework.

EXTERIOR DESCRIPTION:

Building of traditional Lisbon architecture

Main façade with original decorative elements

Inserted in a consolidated area of housing, services and commerce

Excellent road access and public transport

Close to the Alcântara Docks, Lx Factory, historic centre and riverside area

PROPERTY APPRAISAL:

A rare investment in the Lisbon market, combining strategic location, approved project and already settled license, allowing a significant reduction in development deadlines. The surroundings have registered a strong appreciation in recent years, benefiting from the proximity to the riverfront, business centres, commerce, restaurants and access to the city centre.

The project includes private parking on two underground floors and a high-demand residential solution in one of the most dynamic areas of the capital. There is also potential to reconfigure the number of housing units, increasing the overall profitability of the investment.

Possibility of analysing proposals with exchange for completed properties.
