Descripción:

Set among the peaceful hills of Estoi, this authentic Algarve quinta combines a characterful two-bedroom main residence with three independent guest cottages and a tiny house, providing 7 bedrooms in total. Whitewashed façades, terracotta-tiled roofs, traditional Portuguese cobbled paving and gravel pathways create the atmosphere of a genuine country estate, while mature gardens and a large saltwater swimming pool provide a private and relaxed setting. Successfully operated as a small-scale hospitality business for more than 25 years, the property combines traditional Algarve character with considerable residential and commercial versatility.

The main house features a generous living and dining room, an equipped kitchen, storage, two bedrooms and a full bathroom. A covered terrace with its own dining area and barbecue extends the main living space into the garden. The independent guest cottages include The Quinta, with two bedrooms, a bathroom, living and dining rooms, a kitchen and a rooftop terrace enjoying partial sea views and far-reaching countryside and hillside views. Casa Avós offers a kitchen and dining area, a living room, a mezzanine en-suite bedroom and a private patio, while The Granja provides intimate studio-style accommodation with a kitchen and dining area.

The enclosed grounds have been designed for outdoor living, relaxation and entertaining. A 5 x 10 metre swimming pool with sea-salt filtration is surrounded by sunbathing areas, while several shaded seating and dining spaces are positioned beneath mature bougainvillea and palm trees. The gardens contain a variety of established fruit trees, including plum, peach, lemon, orange, tangerine and almond trees, as well as barbecue areas, an outdoor swing, table tennis and a small childrens play area. Terracotta-tiled floors, rustic fireplaces and an eclectic collection of artworks add warmth, personality and a relaxed, welcoming atmosphere.

Just 15 minutes from Faro Airport, approximately 20 minutes from Olhão and its beautiful island beaches, and around 30 minutes from Faro city centre and prestigious resort destinations such as Quinta do Lago and Vale do Lobo.property. It is well suited for use as a permanent residence or holiday home with separate guest accommodation, while also offering the opportunity to continue operating as a self-catering hospitality business. Its independent accommodation, generous outdoor areas and more than 25 years of established hospitality activity make this a distinctive lifestyle and investment opportunity.
