Each individual villa comprises two bedrooms and two bathrooms, providing comfortable and self-contained accommodation. Both properties also benefit from their own upper terraces, perfect for enjoying the surrounding views, morning coffee or relaxing in the Mediterranean sunshine.

The villas share a beautifully designed private pool area, creating an ideal space for entertaining and enjoying long summer days. To the rear of the property is a charming communal-style relaxation area,

complete with comfortable seating, a BBQ and – the perfect setting for alfresco dining and entertaining family and friends.

Adding even greater potential, the underbuild offers the possibility of conversion, subject to the necessary permissions, to create an additional bedroom, living space or further accommodation.
