Descripción:	Parking Space Jardins de São Lourenço Avenidas Novas

Parking space available for rent, located within the prestigious Jardins de São Lourenço development on Rua Soeiro Pereira Gomes, in the heart of Lisbon's Avenidas Novas district.

Situated in a private section of the garage, this parking space benefits from a distinguished location, offering greater privacy and significantly reducing the risk of minor damage caused by vehicle manoeuvres or the opening of adjacent car doors.

Located within a condominium with 24-hour security, it provides peace of mind, protection, and everyday convenience.

Thanks to its prime location in Avenidas Novas and its distinctive features, this parking space is an excellent solution for local residents, professionals working in the area, owners of high-value, larger or collector vehicles, as well as students attending the nearby universities and higher education institutions who are looking for a secure long-term parking solution.
