Descripción:

Building for Investors | Full Ownership | 3 Apartments | Immediate Income | High Appreciation Potential

Exclusively for investors.

We present an excellent investment opportunity, ideal for those seeking an asset with immediate income and significant appreciation potential.

This is a building in full ownership, comprising three apartments currently rented, which provide a total monthly income of €1,500, corresponding to an initial gross return of approximately 5.8% per year, considering the sale price of €310,000.00.

The current tenants may vacate the properties if the future owner wishes to proceed with their refurbishment or remodeling, in accordance with applicable legislation.

At ground floor level, the property also has a garage/warehouse of approximately 150 m², corresponding to the commercial space of the building. This space is not currently rented by the owner's choice, representing an excellent opportunity to increase the investment's profitability or adapt it to different uses, subject to obtaining the legally required authorizations.

Considering the rental market in the area, this space could represent an estimated additional income between €750 and €1,200/month, allowing the investment's gross return to reach values between 8.7%

and 10.4% per year.
