Descripción:

Sonora Garden Residences offers a refreshing blend of convenience, comfort, and long-term value in the heart of Las Pinas City. Located along Alabang-Zapote Road, the development places residents beside SM Southmall and within minutes of key destinations such as Perpetual Help Medical Centre, Alabang Town Centre, and the rapidly growing South Metro corridor. For residents, Sonora delivers DMCI's signature resort-inspired lifestyle, featuring leisure pools, landscaped gardens, open lounges, and well-ventilated living spaces enhanced by Lumiventt® Design Technology.

From an investor's perspective, Sonora Garden Residences sits in a high-demand rental market driven by families, young professionals, and OFW households seeking secure, well-located homes in the south. Its larger-than-average unit cuts, reliable Quadruple A construction, and direct access to a major commercial hub strengthen both rental potential and long-term appreciation. With its strategic location and complete amenities, Sonora stands out as a practical home and a future-ready investment.
