Descripción:

- This charming two-room apartment is located in one of Pankow's most attractive residential neighbourhoods, close to the border with Prenzlauer Berg. Set within an early 1900s period building, the property combines classic Altbau character with generous proportions, excellent natural light and rare outdoor space.

The apartment offers two spacious rooms, both benefiting from a bright and open feel. A particular highlight is the presence of two balconies, creating inviting areas for morning coffee, plants or relaxed evenings outdoors. The separate kitchen provides a practical layout and adds flexibility to the floor plan.

Thanks to the size and arrangement of the rooms, the apartment also offers attractive potential to be converted into a three-room home, subject to the necessary permissions and technical feasibility. This

makes it especially interesting for buyers looking for a home office, children's room or an additional bedroom in the future.

The location offers an excellent balance of calm residential living and urban convenience. Nearby public transport includes U Vinetastrasse and S+U Pankow, with access to the U2, S-Bahn lines, tram connections and several bus routes. The U2 provides a direct route through central Berlin, including key stops such as Schonhauser Allee, Alexanderplatz, Stadtmitte, Potsdamer Platz and Zoologischer Garten.

Green spaces are also within easy reach. Burgerpark Pankow, one of the district's favourite parks, offers broad lawns, mature trees, a rose garden, playground areas and the popular Panke riverside atmosphere. Schlosspark Schonhausen is another local highlight, combining peaceful landscaped gardens with the historic setting around Schloss Schonhausen.

Daily shopping and services are conveniently close by. Along the surrounding Pankow streets there are supermarkets, bakeries, cafes, restaurants, pharmacies and everyday amenities. The nearby Schonhauser Allee Arcaden provide a wide range of additional shopping options, including fashion, groceries, drugstores, cafes, restaurants and practical everyday services.

With its bright rooms, two balconies, separate kitchen, period-building charm and flexible future potential, this apartment is an excellent opportunity for owner-occupiers or investors seeking a well-connected home in an established and highly liveable Berlin neighbourhood.
