Descripción:

This magnificent 5-bedroom property is located only 6km from the beautiful village of Villefagnan. It is perfect for a large family and can provide an income from the separate studio, or equally be an investment opportunity as a gite and chambre d'hôte business. A number of flexible possibilities awaits the future owner.

A rare feature is the indoor swimming pool, which can be enjoyed all year round. There is an enclosed walled garden at the front of the property, with space for four cars, and behind, there is a courtyard and garden, with space for an additional four cars.
