Descripción:

Castle View Cottage is a beautifully presented two-bedroom cottage that effortlessly blends period charm with stylish modern finishes. Perfectly positioned to enjoy a delightful outlook towards The Castle from the south-facing rear garden, this charming home also presents an exciting investment opportunity, having previously been a successful holiday let and long-term rental, with income information available upon request.

The welcoming lounge is centred around a cosy wood-burning stove with bespoke built-in storage, creating a warm and inviting space to relax. To the front, the contemporary kitchen/diner enjoys two windows allowing plenty of natural light and is fitted with sleek wall and base units, marble-effect work surfaces, integrated appliances and generous dining space, making it ideal for both everyday living and entertaining.

Upstairs, the property offers two genuine double bedrooms, with the second bedroom enhanced by an attractive vaulted ceiling with exposed beams, adding to the cottage's character. A modern family bathroom features a vanity unit, bath with overhead shower and heated towel rail, while loft access with integrated ladder provides useful additional storage.

Externally, the south-facing rear garden offers a peaceful setting with lawn, patio seating area, useful

external storage, a rotary dryer and a pathway leading to the public footpath beyond. From the garden, there are attractive views towards The Castle, providing a wonderful backdrop to outdoor living. The property also benefits from privately owned off-street parking, a rare and valuable feature for a home of this style.

Combining character, modern comfort and excellent versatility, Castle View Cottage is perfectly suited to first-time buyers, downsizers, holiday let investors or those seeking a delightful home in one of the area's most desirable locations. **CALL NOW TO VIEW.**
