Descripción:

Skanstes Rezidences is a modern residential development located in one of Riga's most promising districts. The project combines contemporary architectural solutions, energy efficiency and a thoughtfully designed living environment, offering comfortable homes in the city's central area. Residents enjoy a landscaped inner courtyard, relaxation zones and a children's playground, creating a harmonious space for both work and leisure. The apartments stand out with large windows, spacious terraces and high-quality technical solutions.

Skanstes Rezidences is situated in one of Riga's most modern and rapidly developing neighbourhoods, where business centres, entertainment options and urban dynamics are within easy reach. At the same time, the Quiet Centre and the city's green areas are just a few minutes away.
