Descripción:

Real estate investment opportunity in Quelfes, Olhão, for the development of a residential development with 132 dwellings

Inserted in an area of growing housing demand and real estate appreciation, this asset presents an excellent opportunity for developers and investors interested in the development of a residential project in the Algarve.

The project currently planned includes 132 housing units.

The location benefits from the proximity to the center of Olhão, shops, services, schools and main road accesses, allowing an excellent connection to Faro, Faro International Airport and other points of interest in the Algarve.

Olhão has been asserting itself as an increasingly sought-after residential market, benefiting from its proximity to the Ria Formosa, the beaches and Faro, combining quality of life, authenticity and potential

for appreciation.
