İstanbul, the bustling metropolis of Türkiye, is a city full of charm, where the past goes hand in hand with the present and every step brings to light a relic of times gone by. At the crossroads of two continents - Europe and Asia - this spectacular city has absorbed the best of both worlds. With its beautiful historic landmarks, quintessential cuisine, vibrant nightlife, festivals of art and music, a celebration of faith, labyrinths of marketplaces and shopping arcades, the beating heart of İstanbul, and the soul of Bosphorus under the watchful eye of the Maiden's Tower is a traveler's dream.

ABOUT THE AREA

Istanbul is a major city in Turkey that straddles Europe and Asia across the Bosphorus Strait. Its Old City reflects cultural influences of the many empires that once ruled here. In the Sultanahmet district, the open-air, Roman-era Hippodrome was for centuries the site of chariot races, and Egyptian obelisks also remain. The iconic Byzantine Hagia Sophia features a soaring 6th-century dome and rare Christian mosaics.

This magical meeting place of East and West has more top-drawer attractions than it has minarets (and that's a lot).

Living History

İstanbul's strategic location has attracted many marauding armies over the centuries. The Greeks, Romans and Venetians took turns ruling before the Ottomans stormed into town and decided to stay - physical reminders of their various tenures are found across the city. The fact that the city straddles two continents wasn't its only drawcard - it was the final stage on the legendary Silk Road linking Asia with Europe, and many merchants who came here liked it so much that they, too, decided to stay. In so doing, they gave the city a cultural diversity that it retains to this day.

Art & Architecture

The conquering armies of ancient times tended to ransack the city rather than endow it with artistic treasures, but all that changed with the Byzantines, who adorned their churches and palaces with mosaics and frescoes. Miraculously, many of these remain. Their successors, the Ottomans, were quick to launch an ambitious building program and the magnificently decorated imperial mosques that resulted are architectural triumphs that together form one of the world's great skylines. In recent years, local banks and business dynasties have reprised the Ottomans' grand ambitions and endowed an impressive array of
