In the quiet village of Neviđane, on the island of Pašman, there is a plot of land with a total area of 2,007 m2, which offers a view of the sea. The plot has an irregular shape resembling a square, which provides excellent design and construction opportunities. The length of the plot is approximately 44 m, and the width is approximately 46 m.

Within the construction zone there is approx. 1600 m2 of land, while approximately 400 m2 of agricultural land along the access road can be converted into a parking lot, garden, orchard, swimming pool or other additional facilities. All available infrastructure is located in the immediate vicinity of the land.

It is 800 m from the sea, and the location offers a pleasant combination of privacy, nature and proximity to all facilities necessary for a stay and vacation.

Nevidane is known for its beautiful pebble and sandy beaches, crystal clear sea and relaxed atmosphere without too many crowds. In the surrounding area there are numerous cycling and hiking trails, olive groves and viewpoints that attract many nature lovers.
