The ground floor of a commercial building is for sale, part of a total building area of 1,548 m². The building consists of a basement with commercial spaces and a ground floor, which is for sale.

Additionally, a large parcel serving as parking is included in the sale.

Basic features of the building:

Dimensions: 30.60 x 50.10 m

Building area: 1,548 m²

Roof: Gable roof with an 8° slope, covered with trapezoidal galvanized sheet metal in color

Eaves height: 5.00 m

Construction: Prefabricated reinforced concrete (columns, beams, roof supports) combined with steel supports

Facade: Plastered, with parapet walls made of brick and metal-framed windows with plain glass

Foundation: Reinforced concrete strip foundations

Basement: Several commercial spaces

Ground floor: Ten rooms designated for commercial use

The building is in a pre-adaptation state, ready to be customized to meet your business needs. It has the potential for various uses, as its current function is undefined, offering opportunities for further

adaptation.

The building plot is connected to a public road and has access to municipal infrastructure (water supply, sewage system, low-voltage power grid). An asphalted access road with a parking area for personal vehicles connects to similar infrastructure, ensuring easy access and parking.

The parking area spans a parcel of 1,800 m² and is fully included in the sale.

An excellent opportunity for investors. Potential for utilizing EU funds.

The location is ideal for a hotel, hostel, warehouse, market with small shops, café, or restaurant.
