Descripción:

Located in Vékény.

We offer for sale a 50 m², 2-room family house, on a 1730 m² plot, in Vékény, Baranya County, in one of the special natural environments of Eastern Mecs. The exterior and structural renovation of the building has already taken place, but the interior design is still waiting for the new owner.

One of the greatest assets of the property is its location. The plot is directly bordered by the Natura 2000 area and the territory of the Danube-Dráva National Park, so it offers a truly special, close-to-nature environment. The surrounding area is characterized by the forested, calm landscape of the Eastern Mecsek.

A small, tidy, family-friendly settlement. The property is accessible all the way through an asphalted road, so in addition to being located close to nature, accessibility is also convenient.

Condition of the propertyThe building has been completely renovated externally and structurally, but the design of the interior spaces is still to be completed. This provides the opportunity for the new owner to design the interior layout, coverings and appearance according to his own ideas.

The property is therefore in a condition that cannot be moved in at the moment, however, the significant external and structural works have already been completed.

Utilities and other facilitiesThe electrical network is located directly in front of the plot, the construction of the property's electrical connection has yet to be completed. is necessary.

The mains water and sewage network are available within the plot, however, the building is not yet connected to them, so the necessary connections will be the responsibility of the new owner.

There is also a completely renovated dug well in the yard.

The 1730 m² plot provides adequate space for creating a garden, relaxing or other, for the characteristics of the area and for utilization in accordance with the relevant regulations.
