Descripción:

Located in Vékény.

We offer for sale a 50 m², 2-room family house on a plot of 1730 m² in Vékény, Baranya County, in one of the special natural surroundings of the Eastern Mecs. The exterior and structural renovation of the building has already taken place, but the interior design is still waiting for the new owner.

One of the greatest assets of the property is its location. The plot directly borders the Natura 2000 area and the Danube-Dráva National Park, so it offers a truly special, close-to-nature environment. The surrounding area is characterized by the forested, calm landscape of the Eastern Mecsek.

A small, tidy, family-friendly settlement. The property can be accessed by an asphalted road all the way, so in addition to its location close to nature, accessibility is also convenient.

Condition of the property

The building has been completely renovated externally and structurally, but the design of the interior spaces is still to be completed. This provides the opportunity for the new owner to design the interior layout, coverings and appearance according to his own ideas.

The property is therefore not ready to be moved into at the moment, however, the significant exterior and structural works have already been completed.

Utilities and other features

The electrical network is located directly in front of the plot, the construction of the property's electrical connection has yet to be completed. necessary.

The piped water and sewage network are available within the plot, but the building is not yet connected to them, so the necessary connections will be the responsibility of the new owner.

There is also a fully renovated dug well in the yard.

The 1730 m² plot provides adequate space for creating a garden, relaxing or other, for the characteristics of the area and for utilization in accordance with the relevant regulations.
