Descripción:

Situated in a private cul-de-sac in the sought-after Pueblo Bravo area of Ciudad Quesada, this attractive 3 bedroom, 2 bathroom semi-detached bungalow offers spacious single-level living, excellent private outdoor areas and access to a communal swimming pool. Its peaceful setting combined with easy access to local amenities makes this an excellent choice for permanent living or holidays on the Costa Blanca.

Inside, the property offers a comfortable and practical layout with three bedrooms and two bathrooms, providing plenty of accommodation for family and visiting guests. The bungalow-style design makes everyday living particularly convenient, while the additional bedroom space gives the property greater flexibility than many homes of this type.

Outside, there is private off-road parking for several cars, a particularly useful and unusual feature. The property also benefits from a private rooftop solarium, providing an excellent additional outdoor area for sunbathing, relaxing or entertaining throughout the year. Residents also have access to an attractive communal swimming pool, perfect for enjoying the Mediterranean climate without the maintenance of a private pool.

Located in Pueblo Bravo, Ciudad Quesada, the property enjoys a peaceful residential setting while remaining within easy reach of supermarkets, shops, restaurants, bars and everyday services. La Marquesa Golf Course and the beautiful sandy beaches of Guardamar del Segura are also just a short drive away.
