Descripción:

Located in Campo Maior, in the parish of São João Batista, this house represents an excellent opportunity for those looking for a renovation project with potential for appreciation.

With an area of 73 square meters, the property has three bedrooms that offer comfortable space for a family or for investment purposes. The house is in need of renovation works, allowing the new owner to customize the space to their taste and needs, transforming it into a cozy residence or a business opportunity.

The layout of the house and its potential for renovation make it an attractive option for those who want to invest in a quiet area, with good access to local amenities.

With a competitive price of 83,000, this home presents an excellent opportunity for value for money, especially considering the potential for appreciation after the renovation works.

Its location in São João Baptista, a parish with a strong tradition and rural charm, adds value to the property, making it an ideal choice for those looking for a residence with character or an investment opportunity in the Campo Maior region.
