Imagine yourself enjoying a saltwater pool on hot days, surrounded by a well-kept garden, lawn and a cozy outdoor space ideal for your barbecues with family or friends. Here, every detail was designed to provide well-being. There is even space inside the land to park the car in total comfort.

With almost 220 m² of built area, this villa stands out for its large and harmonious areas. Upon entering, you are greeted by a modern, fully equipped kitchen, in open space with the living room a bright and perfect environment for socializing. The strategically placed stove ensures thermal comfort throughout the house. On the ground floor you will also find two bedrooms, one of them en suite, both with spacious wardrobes.

Going up to the upper floor, the surprise continues: two generous bedrooms, one of them also a suite, full of natural light thanks to the large double-glazed windows. From one of the bedrooms, access a private terrace, where you can relax and enjoy the tranquil surroundings and the cozy scenery that surrounds it.
