Descripción:

Imagine transforming a traditional hayloft into a cozy home, where the charm of traditional architecture meets views of the sea and mountains.

Located on Caminho Lombo das Laranjeiras in Calheta, this 114 m² plot of rural land, with an existing traditional hayloft, offers an opportunity for those looking to create a project tailored to their needs.

Rebuilding and potentially extending the barn could allow for a small one-bedroom home, ideal as a vacation retreat or for potential use as a short-term rental, subject to confirmation of feasibility with the relevant authorities and obtaining all necessary approvals and licenses.

With car access, the property is close to essential amenities, including a health center, pharmacy, cafés, convenience stores, school, gas station, and bank. A convenient location for everyday living while enjoying the surroundings of Calheta.

Property highlights:

- 114 m² plot of rural land.
- Existing Hayloft.
- Sea and mountain views.
- Car access.

-
- Close to shops, services, and a school.
 - Potential for a renovation project, subject to feasibility and the necessary permits.

Take the first step toward bringing your project in Calheta to life. Contact us for more information.

The property boundaries shown in the images are for illustrative purposes only and may contain inaccuracies. They do not constitute an accurate representation of the property's boundaries or area. The exact boundaries must be verified against the relevant documentation and a topographic survey.
