This Edwardian property has the generous proportions to cater for any growing family. Downstairs you will find a large living room with space for the whole family to cosy up in front of the grand fireplace with log burner as well as a 'snug' for when you'd like some time to yourself.

You are sure to be impressed with the vast open plan kitchen/diner, perfectly designed with functionality and contemporary style in mind. The current owners describe this room as a 'social hub', the perfect space to entertain friends and family. There is even a log burner to keep your guests warm during winter gatherings. In the summer, the party can extend into the large paved courtyard garden, ideal for BBQs and evening drinks.

Towards the back of the property there is a utility room and handy cloakroom which lends to the practical set-up of this home.

On the first floor you will find three of the five well-sized bedrooms as well as the family bathroom where you can switch off and unwind in the jacuzzi bath.

The remaining bedrooms live on the second floor and with all of this space the only question your family needs to ask is "who gets which bedroom?".

This property also comes with a garage with shed storage and off-street parking.

WE LOVE: The generous room sizes, large bay windows and tall ceilings typical of this era of property combined with the contemporary fittings that make this home a beautifully practical space.

THE OWNERS LOVE: Playing host to lively family functions and vibrant dinner parties in the impressive newly renovated kitchen/diner, which itself has been a true labour of love.
