Alanya Kestel

Kestel is very different to other areas.

Alanya Kestel

In Kestel the beaches are secluded and in general the area is very calm.

About

Kestel is a residential area located between Mahmutlar and Tosmur. It offers several kilometers of unspoiled and often empty beaches.

The area is still under development and is very different to other more busy areas at the coast. Besides the more laid back features, Kestel still has everything you will need for daily life.

Activities

Go to the beach, take a stroll on the beach promenade, work on your sun tan and swim in the crystal clear Mediteranian sea. For the active people put on your hiking boots or your mountain bike and explore the hilly areas behind Kestel. You can also cycle from Kestel to the east through to Kargicak and the west as far as the New Yacht Marina, nearly all on a level, designated cycle track.

Also the Dim cave is located not too far from Kestel.

Shopping

Several supermarkets, bakeries, butchers and coffee shops are making sure that all of your daily needs are catered for.

For shopping other than daily necessities Mahmutlar and Alanya center is nearby.

Public transportation

From the beach road busses run in every direction towards Mahmutlar and Alanya city center. Taxis are as usual available from almost every street corner.

Food & dining

Several big coffee shops and bakery stores have branches in Kestel. Besides that there are many nice restaurants to choose from.

At the beach a few beach clubs and fish restaurants offer you the ultimate “beach dining” experience. Behind Kestel several small and local run restaurants offer authentic breakfast with a view.

Nearby

Both Mahmutlar to the west and Tosmor, Oba, Cikcilli Alanya city center to the west are easy to reach by bus or even bike. The famous Dim cave and Dim River is also very close.
