With generously sized rooms and an impressive rear garden, this type of property is always highly sought after and this newly renovated property is unlikely to be on the market for long.

Come through the door and be greeted with a great sized living area, fitted with electric fire for those colder months and a beautiful bay window to allow the natural light to burst in.

Through to the second reception room, this space could easily be used as a dining room. Newly decorated and with brand new carpets throughout, this really is a 'turn key' purchase.

Venture to the rear of the property where you will find a newly painted kitchen with integrated fridge/freezer and oven appliances.

From the kitchen to the rear garden and to the generous sized terraced, grassed garden with a patio area, perfect for summer BBQs with friends and family.

Back into the property and to the upstairs with two double bedrooms, both equipped with built-in wardrobes and a modern bathroom.

This property really is the perfect home for first-time buyers, with its neutral decoration it's ready to put
