'RockIT Properties' is pleased to present to you a fully furnished and equipped detached house with perfect access in Simeonovo district.

The house has a built-up area of 388 square meters, has a perfectly landscaped yard with a barbecue and parking space for 4 cars.

The heating is gas, and top class air conditioners (Mitsubishi and Fujitsu) are available in all rooms.

There is a built-in hydrophore system, professional video surveillance of the highest class.

The house is perfect for both living and investment. Fully furnished down to the last detail with designer furniture from KARE, the barbecue is built from massive hundred-year-old wood, has a whopping 600 kg. table and wooden pomegranates.

Extremely strong and sustainable construction with thick walls, on which the highest grade siding from Canada is laid with cotton wool between them and a 40-year warranty, which additionally insulates noise and heat. Low bills for heating gas or air conditioners. (invoices and history of the operation of the boiler can be presented).

The terrace has underfloor heating and there is no need to clear snow during the winter months.

The yard has an area of 350 sq.m. Perfectly landscaped and maintained, with ryegrass, tall trees, shrubs and flowers.

Panoramic fireplace with separate chimney and self-cleaning function.

The gym is equipped with semi-professional equipment, the flooring is the best possible with prices from BGN 300. sq.m.

The house has sewerage!
