This is a beautiful property , it's 11 acres with 4 bdrms , 2 baths , 2 kitchens and a fireplace. Large, spacious bathrooms and kitchen that are beautifully done in tile with quartz counter tops, walk in shower with overhead and side nozzles, also a whirlpool tub across and separate from shower. 4 garage stalls, a horse barn and electric water shed. The ranch has a fenced coral and pasture. This estate is beautifully layed out and is located only 5 miles south of Jamestown on 281, it's the yellow house on the hill across from the Orr Auction lot. i recommend scheduling a showing to appreciate, as i'm not a professional photographer.
