The Saint Peter's Bay residences display traditional Barbadian architecture and finishes, with floor plans that maximise open living spaces and breathtaking views while preserving privacy.

Generous terraces with spa pools, fully equipped kitchens, and beautiful en-suite bedrooms are accented with marble tiles, whitewashed cedar joinery and coral moldings. Beach elevators take homeowners from residences on higher floors to the pool, beach and fitness center.

This luxurious 2,700 sq. ft. 3 bedroom beachfront residence offers three spacious en-suite bedrooms, a fully equipped kitchen and laundry area.

A spacious terrace with outdoor dining affords a panoramic ocean view complimented by a private spa pool.
