In what is probably the most important and elite residential area of Bizkaia we find this impressive villa in a situation and with characteristics very difficult to overcome.

The house has 1000 m2 of which approximately 900 m2 are useful.

On level -1 we find among other rooms a covered garage area with a mechanical repair section, boiler room, a wonderful Txoko with kitchen and dining room, spa area with Turkish bath, 12-seater Jacuzzi and gym.

On the ground floor we have a majestic entrance in which to emphasize the elegant and extraordinary staircase of solid wood of exceptional quality (as well as all the wood of the house), a wardrobe area, a very large living room with communication to the garden and windows that take advantage of natural lighting, fully equipped kitchen, service area with room and bathroom and a living room and an impressive office.

From this plant we access the garden area in which we have storage shed for garden tools and a pool of approximately 11 X 7 meters.
