توضیحات:

Centrally located in Mitte, this penthouse is a luxury property with direct views of the TV Tower on one of Berlin's most sought-after streets. It was lavishly renovated in 2020 and brought up to the highest architectural standards. The artwork and spacious apartment is located in a classic Berlin building of the 19th century and occupies the entire top floor. The interior design and furniture are driven by design classics: Persian palace carpets, a vintage Eames chair, contemporary art, designer sofas and built-in furniture give the penthouse exclusivity and that certain something. The penthouse has 2 living rooms and a winter garden as well as 3 bedrooms + a separate children's room, dressing room and a large dining and kitchen area. A spiral staircase leads to a 70m² rooftop terrace with garden, which offers a gigantic 360° view over Berlin's rooftops. In addition, another terrace with barbecue and a terrace with sauna -even in bad weather- invites you to relax. The fully equipped open kitchen offers plenty of space to cook with friends and linger in the spacious dining area. The "Alte Schönhauser Allee" promises one of the most popular areas of Berlin full of life with its many small stores as well as bars and restaurants. Hackescher Markt with its small alleys and mysterious backyards is within walking distance, as is Monbijou Park and the banks of the Spree River, offering everything you need to linger, stroll and well experience.
