توضیحات:

The Penthouse of this exclusive new building represents the pinnacle of luxury and sophistication. With superior quality, generous areas and stunning sea views, this property offers a truly exceptional lifestyle.

The development, comprising 24 units, features 2 and 3 bedroom apartments, providing residents with a variety of options to suit their needs and preferences.

The internal layout of this property includes an office, a suite, two additional bathrooms, two bedrooms, a utility room laundry room, an open-plan kitchen, living and dining room, a balcony and a terrace.

This apartment is the jewel of this project, located at the top of the building to guarantee total privacy and a unique panoramic view.

With construction starting in May June 2023, future owners can look forward to a residence built to the highest quality standards.

There is also the possibility of building a private pool for this fraction.

Don't miss this opportunity to enjoy a range of exclusive amenities.
