City area

Located in the north part of Berlin, Wedding is the future developping area of Berlin thanks to it optimal location between the city airport and center of Berlin-Mitte. After having sheltered the Turkish communities for a long time, it opened up to many cultures and attracted more and more new residents.

Along the Panke River, a tributary of the Spree, the newly built docks offer many opportunities for hiking, both cycling and walking. In the heart of the area, the pleasant Volkspark Humbolthain is an islet of greenery. It hosts watchtowers dating from the Second World War, which today are visited and offer a beautiful viewpoint of the area. In summer, it is nice to take a refreshing dip in Plotzensee, a lovely lake nestled in the heart of Wedding and very popular with Berliners. Shopping lovers will also be pleased with the large shopping center in Gesundbrunnen.
