Located in Kerkyra.

Villa Kyma is a unique seafront property, presenting a wonderful opportunity on the North Coast of Corfu.

The property sits in magnificent gardens, with 65 metres of seafront.

Throughout the land and property there are exceptional views overlooking out over the bay towards the islands of Erikousa & Othonoi, with this orientation also benefiting from amazing sunsets.

The plot and gardens have many established trees providing ample natural shade and privacy.

Due to the shade created by the trees and an ever present light breeze, the plot seems to create its own most pleasant climate within.

There are an array of differing external areas & terraces in which to sit, dine or relax

Direct access to the sea and beach, with lovely swimming.

There is a local taverna approx. 100m away.

Natural private water supply.

The location is deemed to be a most up and coming area, with the Monastery of Agios Ioannis close by.
