It is a pioneering and ecological project located in Lisbon. The project offers a mix of 7 apartments and 13 eco-lodges, including studios, one- and two-bedroom apartments and one-bedroom duplex eco cottages. The project's focus is on environmentally conscious living for the 21st century, with a commitment to reducing resource consumption and using locally sourced green building materials.

The project also has an infinity pool and a lounge area with a superb view, providing residents with a comfortable and relaxing living experience, it is more than a development project; It is a statement about the importance of sustainable living in today's world.

With a privileged location, it connects the city to anywhere in Portugal and Spain, in a matter of hours, but also within walking distance of Lisbon International Airport and access to the main highways.

Nowadays it is a neighborhood located on top of one of Lisbon's hills, at an altitude of 110 meters. This
