توضیحات:

A fantastic opportunity to acquire a large village property in the sought after location of Algorfa.

This is a very large house located in the town of Algorfa and overlooking the central plaza. It has 254 m2 and currently has 3 bedrooms, 1 bathroom and 2 kitchens but this space can be configured to suit the new owner and could potentially be separated into two large independent dwellings. There is a large patio at the back of the property large enough to create a beautiful Mediterranean garden with a pool.

There are two separate entrances at the front of the property that overlook the plaza. If you are looking for a home and business premises in one then this property really is worth viewing. A business here would certainly be in a very prominent position.

There is a video tour on the link so take a look and imagine what you could do here!

This is a traditional property and suitable for those looking to integrate into Spanish life in the centre of the village. Algorfa is a traditional village which attracts people of all nationalities. There are good amenities, a bus service and you are surrounded by mountains and citrus groves.
