Come and live in this beautiful semi-detached house on both sides, built in 2003, with large areas and sun exposure to the Northeast and Southwest and thus benefits from direct sun throughout the villa from morning until sunset.

Upon entering, you will be greeted by a pleasant terrace and a covered parking space.

On the ground floor we start with a large entrance hall that connects to a kitchen with pantry, a guest toilet, and a spacious living and dining room with fireplace that gives access to a 35 m2 terrace, perfect for enjoying the mild climate and for example having lunch and or dinner something prepared on the barbecue outside with your family or friends.

On the first floor, you will find three bedrooms, two of them with fitted wardrobes and sharing a balcony and a bathroom.

The third bedroom is a suite, also with wardrobe and a terrace that is the roof of the carport and with another small balcony.
