توضیحات:

Located in Lourdata.

This unique and premium sea-front plot comes with building permission for a property up to 275m².

With uninterrupted sea & mountain views, this beautiful and very well located plot of 9.300m² is situated up in the hills behind Lourdata village, very close to Kanali beach, with its own private access.

The plot faces south and southwest, on a steep incline that allows breathtaking views, plus access to the beach.

It is located just 2 minutes drive from Lourdas beach, 1 minute drive from Trapezaki beach and 5 minutes from Agios Thomas beach. Argostoli town is 9km away and the airport just 7km.

This is really a rare investment opportunity at a great price, with all legal documents in place.
