توضیحات:

In one of the most desirable residential areas of Lazise, just 10 minutes walk from the historic center and a few steps from the lake, we offer this elegant three-room newly built ground floor apartment with partial lake view.

Part of an exclusive context of only 8 units, Il Borghetto, with a condominium swimming pool and parking spaces, the apartment consists of a large living area with direct access to the terrace and private garden, two double bedrooms each with private bathroom, a toilet and an additional rear garden. The property is sold furnished with new designer furnishings.

A private parking space in the basement garage and a cellar complete the offer.

The combination of attention to detail and minimal running costs make this property a safe investment both as a main residence and as an exclusive vacation home.
