Las Colinas has become one of the most prestigious resorts in the region and has a number of professional sports personalities among its community who have purchased their holiday home here in the Resort of Las Colinas Golf due to the overall appearance of the amenities and surroundings as well as the superior and high quality “Las Colinas Properties”.

With the stable climate of the Mediterranean coast, you can enjoy your dream holiday home all year and thanks to its ideal connection to the airports of Alicante and/or Murcia you will not have any problems to find a direct flight from your country of origin.

The white sandy beaches of Cabo Roig, La Zenia, Campoamor or Mil Palmeras are only 7km away as well as the new open plan shopping center of “Zenia Boulevard”.

Numerous architects and technical teams worked hard to achieve the infrastructure and general guideline for the design of the Resort of Las Colinas as well as the properties that are situated within. Keeping in line with the modern design and architecture is one of the key points and reason for the success of Las Colinas Golf & Country Club as well as the respect of the surrounding green area and being able to adapt any new design and property project within its natural environment. A low density housing development where you will always enjoy more green area than build area compared to other resorts and developments in the region, this is a unique criteria and makes Las Colinas such a special destination.

A part from the award winning golf course, the Resort of Las Colinas Golf also hosts an international Restaurant “UNIK café”, a sushi bar “Enso Sushi”, mini Supermarket as well as brand new Italian restaurant “il Palco” and a sports & health club offering a gym and SPA treatments. (Photo Gallery)
