The last 5th floor, elevator, southern presentation. It is possible to install solar panels. High-quality construction, -brick, the apartment is suitable for year-round living. The apartment has a fresh renovation and high quality furniture. Ideal for renting, first line, walking distance to the beaches of Olympic hope.

A great investment!!!

Ravda is located in the immediate vicinity of the city-museum of Nessebar, included in the UNESCO World Heritage List. A great place to live and relax-the promenade throughout the resort, clean beaches, a variety of cafes and restaurants, places for entertainment with children.

In the center of Ravda there is a kindergarten, a bus line with Burgas, Varna and nearby resorts. Lidl and Jeanette supermarkets, which are open all year round, are located a few kilometers away. From the point of view of infrastructure, Ravda is not inferior to Sunny Beach, the only difference is that it is a more democratic resort. It is also more likely to be chosen for families with young children, pensioners and those who prefer quieter places for a trip to the sea.

Distance: Burgas Airport is 30 km away.

Varna Airport is 100 km away.
